# WELCOME

## Welcome to Padstow Holiday Village

We're so excited that you've chosen to come and stay with us here at Padstow Holiday Village.

To help you get settled in, we've left complimentary Furniss biscuits and Cornish tea and coffee on the kitchen countertop. They go down a treat after a long drive! We have sourced most of our products locally and we hope you love and enjoy them as much as we do. Please check all labels for any allergens.

To help you get into holiday mode, we've rounded up everything you need to know about our local area, from the best days out to what's happening on the park.

### Park Shop

Our shop and off-licence is open from 8:30 am - 7 pm on check in days to help you top up your holiday shop. We order in fresh bread and breakfast pastries from a local bakery, so orders for fresh bread and bakery items must be made by 5pm the day before. If you're heading out for an early morning adventure, you can also grab a coffee to go at the shop.

### Craftworks Secret Garden - Seasonal opening times

Tucked away in a magical corner of our park, enjoy delicious street food, served seasonally under the twinkly lights of our dining tipi or completely alfresco under the stars.

We're just a short downhill stroll through farm fields from the charming, traditional harbour town of Padstow. We couldn't be prouder to call this part of the world our home and hope this guide inspires you to make the most of our beautiful area while you're with us.

We hope you have an amazing stay.

All the Padstow team x

# HELP OUR PLANET B CORP

As the UK's first B Corp-certified holiday park group, we offer a unique perspective on holidays. Our actions are all driven by the desire to create a positive impact on the environment, our local communities, and our customers.

All of our parks are designed to minimise their impact on the surrounding area by promoting local planting, community engagement, and wildlife-friendly landscapes. Our wormery and Bug Hotel are sure to bring a smile to your face, but we wouldn't recommend dining there for breakfast!

Instead, why not head to our park shop for all your holiday goodies? Here, you'll find a range of B Corp products including wine from our neighbours Trevibban Mill, beers from Padstow Brewing Co., down by the harbour, or clotted cream from Rodda's, jam first please. We also collect empty recyclables at reception and work with MYGroup to turn them into creative contributions for the local community.

For our furry friends, we offer Canine Care Stations with free biscuits, fresh water, and eco-friendly dog bags. Young nature enthusiasts can take on our Big 5 challenge for a chance to win a medal at reception. We also offer Beach Adventurer sets and loan wooden belly boards for free to help reduce plastic use. And if you're looking to do some beach cleaning, you can borrow one of our beach clean sets from reception for your next trip to one of the Seven Bays. All while support local sanctuaries such as the Cornish Birds of Prey Centre and Cornish Seal Sanctuary.

We are proud of our B Corp certification and the positive impact we are making, and we invite you to be a part of it.

Let's work with the environment, not against it, and create a better future together.
